

Come Enjoy Nepali Documentary Film With Special Buffet Dinner

After three years of hard work Team Work Film Production has come up with a documentary film "Singkham Sachya" - Manang. A traveller, Jaswant Dev Shrestha, travels to Manang and explores the lake situated in the world's highest altitude, Tilicholake (5200mts). Throng-la pass (5416mts), one of the best high pass trekking routes and helps us understand the culture and lifestyle of the inhabitants.

Wild life, vegetation, ancient monasteries, re-incarnation of a Manange monk after 600 years can be learned. Amazing festivals like Metha, Yarhum and Paten is well potrayed. The harsh life of the Manange students is well traced. Image of Lord Ganesh (an Elephant God) can be seen on the Gangapurna mountain. The scenic beauties of the place like frozen waterfall, frozen lakes, Himalayan range of Annapurna are captured in this film.
